SS//23 MENSWEAR LOOKBOOK

SS//23 MENSWEAR LOOKBOOK

The SS//23 collection was inspired by the 1981 Arena documentary 'Chelsea hotel'. Exploring traditional tailoring techniques we contrasted cut and fabric to create interchangeable pieces that are made from the finest deadstock materials in our London studio.

We dedicate this to the life and service of Her Majesty Queen Elizabeth II.

Photographed by Pim van Baalen.
Featuring Zakary Shervington, Assisted by Nellie Aquilina & Winston Duke.
