## The Collection

a

S

Every woman needs a curated closet of trans-seasonal pieces that promises to fulfil her sartorial needs throughout the year and through different seasons.

a

S

The Capsule collection offers dresses that are perfect for every weather and occasion. Each piece is crafted from the most comfortable and consciously sourced fabric, ranging from organic cottons to luxe satins.

a

S

There is a dress for every occasion, whether it is lounging at the beach, brunch dates with girlfriends or a romantic dinners with your significant other, we have some beautiful versatile pieces for any occasion.
