

**CATHCART LONDON**  
**SS23**

## Welcome to Spring/Summer 2023

Creating classic apparel in the modern era, Cathcart London is at the forefront of a burgeoning fashion revolution. Since its inception nearly 10 years ago, the brand has been the outfitters of rebels and style-conscious individuals yearning for authentic and iconic style in an age of fast-fashion and uniformity. By combining heritage codes with contemporary fashion, Cathcart offers unique apparel to dressers seeking a timeless look.

The SS23 collection embodies these principles and features an array of designs that are both timeless and contemporary. From tailoring to workwear, every piece in the collection is crafted with care and attention to detail.

We invite you to join us on this journey of fashion and sustainability, as we present the SS23 collection from Cathcart London. Thank you for your interest, and we look forward to continuing to provide you with high-quality, sustainable, and stylish clothing.
