

**MATTY BOVAN AUTUMN/WINTER 2023  
'DEEP SPACE NYMPHS'**

*'Fundimentary and intricate, new sci-fi baroque, hand scrawled, painted patterns illustrate humanity in its sumptuous antithesis to an AI-controlled digital future. Hand drawn, hand touched, mistakes, these all contribute to my world of splendour and luxury, infused with the dirty, worn, and overdyed.'*

**Matty Bovan, 17 February 2023, Upstairs at Langan's, London**

**This collection is almost entirely created using deadstock woven fabrics.**
