“Our newest collection, "Utopia/A World Created by Her," envisions a world created by a deity. It encapsulates the spirits of female pioneers and gender and social-norm-challenging icons that redefine the path of history to shape a world of equality, freedom, and inclusivity.

This Autumn/Winter 2023 collection features signature tailored cuts, long-fitting coats, stunning jewelry, and a new iconic Utopia Leather Bag collection.”

– Sebastian SK, Designer

“Unsere neueste Kollektion "Utopia/A World Created by Her" stellt eine von einer Gottheit geschaffene Welt vor. Sie verkörpert den Geist weiblicher Pionierinnen und geschlechts- und gesellschaftskritischer Ikonen, die den Weg der Geschichte neu definieren, um eine Welt der Gleichheit, Freiheit und Inklusion zu gestalten.

Die Herbst/Winter-Kollektion 2023 umfasst die charakteristischen maßgeschneiderten Schnitte, lange Mäntel, umwerfenden Schmuck und eine neue ikonische Ledertaschen-Kollektion namens Utopia.”
